Parent's Exchange 2nd – 12th Grade Spring 2010 Registration

Welcome to Parent's Exchange! Parent's Exchange is an education and support group for parents of infants, toddlers, young children and adolescents. Facilitated by a child development professional, participants build on their own strengths and develop new insights from other parents facing similar issues, joys or concerns. Groups are organized according to the age of the child. Each group decides on topics to discuss and speakers to invite. To help the group get started, we will provide a list of experts that include physicians, child psychologists, dietitians and community agencies.

Meetings will be held at St. Catherine of Siena in Riverside (across from Balducci's). Groups run in 14-week sessions held from 9:30am – 11:00am. The next session will begin the last week of January 2010. **Call for exact date.**

Registration for Parent's Exchange enables us to create appropriate size groups and plan programs tailored to your needs. Children are allowed to remain with their parents in the Infant and the Toddler groups only.

For information call Parent's Exchange at (203) 863-3794 or e-mail Lyn Linz at LynL@greenhosp.org.

Registration is limited each day for each group. Spaces are reserved on a first come, first served basis.
